

To ANJNEY TUBES INDIA

Kind attention: The Director

**Subject: Product Satisfaction Certificate**

We would like to Acknowledge that PREMIER 1888 MILLS/QUALITEX has installed ANJNEY BRAND PPCH FR PNEUMATIC and THERMAL FR COMPOSITE PIPES AND FITTINGS at our WEAVING PROJECT at our factory at CEPZ., Chittagong

1.	Type Of Industry	Weaving
2.	Application	Compressed Air and Chiller Line
3.	Sizes	160 mm, 110 mm, 32 mm
4.	Pressure receiving at the machine	7.6 Bar ( same as compressor)

We have observed below mentioned advantages and we are satisfied compared to the metal piping on following basis

1. We have not faced friction loss, pressure lose at any point in the whole piping there is 0% pressure drop
2. It is 100 % leak proof piping
3. Earlier we had 1.5 Bar pressure drop and now we see no drop with ANJNEY brand pipes which saves significant amount of energy.

Moreover we have also received after sales service and support by ANJNEY TUBES INDIA

And hence we certify and recommend ANJNEY brand PPCH FR PNEUMATIC PIPES AND FITTINGS as it will be truly time tested, sturdy and friendly product.
